

This architectural section drawing illustrates a symmetrical building facade. The central feature is a large entrance with a prominent pediment supported by columns. On either side of the entrance are large windows with horizontal mullions. The facade is further detailed with smaller windows and decorative elements. Dimensions are provided for various components, including window heights (e.g., 1.90, 1.38, 0.50, 1.60, 2.00) and overall section heights (e.g., 8, 9, 10, 11, 12). Elevation markers such as ± 0.00 , ± 0.30 , and ± 1.20 are used to indicate vertical levels. The drawing is a technical representation of a building's vertical structure and proportions.

The drawing shows a detailed elevation of a building facade, divided into two main sections. The left section has a total width of 29.07m, and the right section has a total width of 15.58m. The facade features a series of columns and beams, with floor levels indicated by horizontal lines and labels (+0.00, +0.30, +1.20, +2.00). Various structural elements are labeled with numbers (12, 10, 8, 9, 7, 5, 6, 11, 1, 2, 3, 4) and dimensions (1.60, 0.50, 2.00, 1.59, 0.50, 1.60, 0.50, 1.60, 2.00, 2.00, 1.60, 0.50, 1.60, 0.50, 1.60, 2.00, 1.60, 0.50, 1.60, 0.50, 1.60, 2.00). A vertical dashed line separates the two sections.
