## **CALL FOR PARTNERS** ERASMUS+ European Youth Together 2020

### Short description of the project

The project's overall goal is to contribute to shaping inclusive societies with no discrimination and increase the social participation of vulnerable groups.

To achieve it, the project will attempt to create a network of youth organizations and European youngsters that will undertake initiative in order to combat phenomena such as discrimination and xenophobia and ensure equality for all. Local ambassador groups, a transnational youth mobility, various awareness raising activities and an online participation platform will lead to the desired results and impact.

### Partners

We are looking for 5 motivated partners from Erasmus+ Programme Countries from different areas East, West, North and South across Europe that have experience in the youth field and inclusion as well as active participation of vulnerable social groups topics.

### Procedure to apply

Please, fill in the partner identification form with the PIC number and all the fields required and send it via e-mail at [karkaskean@gmail.com](mailto:karkaskean@gmail.com) with subject "European youth together". All the applications will be examined and the selected partners will be asked to provide more information.
